Coastal Erosion, Pacifica, San Mateo County

- Early last week coastal bluff erosion occurring between the areas of 1070 and 1115 Palmetto Avenue were noticed by the City of Pacifica. On Friday January 15th, Esplanade was yellow tagged due to proximity to the bluff edge and related erosion. On Sunday January 17th, a portion of the sea wall along Beach Blvd. near Santa Maria Ave. was undercut due to wave action and a portion of the sidewalk opened up. Beach Blvd. was closed to through traffic. On Friday January 22nd, the City Manager declared a local emergency. The Pacifica City Council is set to ratify the declaration at their regularly scheduled City Council meeting on Monday, January 25, 2016.
- Only one residence was red-tagged due to proximity to the bluff edge and related erosion. Residents impacted have accommodations elsewhere. The remainder of residences affected are yellow-tagged and residents are permitted to remain in their building until further notice. The city is coordinating with County Human Services Agency, Red Cross, Terra Nova and Oceana High Schools for possible sheltering if needed.
- No Operational Area or State resource requests at this time.
- Coastal Region continues to monitor the situation.
